EXPERIENCE

Ministry of Transportation

Data Management and Analytics Co-op Associate

St. Catharines, ON

Jan 2024 – Aug 2024

- Designed, enhanced, and maintained Power BI executive dashboards to track key performance indicators and support evidence-based decision-making aligned with ministerial priorities.
- Applied Power Query (M) and DAX to perform data modelling, transformation, and validation, ensuring accuracy, consistency, and reliability of analytical outputs.
- Supported Treasury Board submissions through data-driven cost and risk analysis for long-term capital and infrastructure investment planning.
- Conducted data quality assessments and ensured integrity across Power BI, Excel, SQL, and Oracle databases.

Palomino System Innovations Inc.

Co-op Web Developer

Hamilton, ON

May 2023 – Aug 2023

- Managed web hosting services and resolved infrastructure-related issues to ensure uninterrupted service delivery
- Maintained regular reporting to supervisors, providing clear updates to support transparency, alignment, and informed decision-making.
- Collaborated using Laravel, Docker Desktop, WebPal, and Laravel Filament to develop scalable frameworks and data-driven tables.

LEADERSHIP & VOLUNTEER EXPERIENCE

Brock University

Product Owner, Capstone Project

St. Catharines, ON

Jan 2025 – April 2025

- Led a diverse, cross-functional team through planning and delivery, resulting in on-time completion and strong alignment across workstreams.
- Resolved team conflicts through one-on-one discussions and facilitated consensus, maintaining a respectful, psychologically safe environment and steady progress.
- Promoted collaboration and accountability through clear communication and inclusive leadership, improving engagement, decision-making, and shared ownership.

Destiny Campus Fellowship*Follow-Up & Logistics Lead*

St. Catharines, ON

Jan 2025 – Present

- Led 45+ annual community programs and events, coordinating 20+ volunteers across communications, logistics, and media, achieving 100% on-time delivery and alignment with organizational goals.
- Spearheaded large-scale campus and community outreach initiatives, driving strategic planning, logistics, communications, and volunteer engagement to deliver high-impact, seamlessly executed events.
- Managed communications and stakeholder engagement, resolving issues and maintaining alignment across volunteers, leadership, and partner teams.

RCCG Royal House Films and Productions*Location and Logistics Coordinator*

St. Catharines, ON

Jan 2025 – Present

- Coordinated permits, vendors, and crews for 3+ annual film shoots, including site scouting, scheduling, and logistics, achieving 100% on-time execution with zero safety incidents.
- Implemented digital collaboration tools (e.g., Google Workspace) to track production timelines, location dependencies, and equipment inventories, improving visibility and workflow control.
- Documented lessons learned and developed logistics playbooks, contributing to institutional knowledge and improved project turnaround for subsequent events.

Southridge Shelter Community Outreach*Volunteer*

St. Catharines, ON

Nov 2023 – Present

- Provided meal service and hospitality in a welcoming environment, fostering dignity and community alongside a compassionate volunteer team.

Chapel of Praise*VBS Volunteer*

Hamilton, ON

Jul 2023

- Supported the planning and delivery of Vacation Bible School programming, contributing to a safe, inclusive, and engaging environment for children and volunteers.

ACHIEVEMENTS

- Successfully led cross-functional volunteer teams and executed high-impact programs and initiatives across executive and outreach functions, demonstrating strong leadership and organizational skills.
- Drove measurable audience growth for RCCG Royal House Films and Productions through strategic logistics and location planning, achieving approximately 8,000 YouTube views within two weeks.
